It is a key aspect of the school's added value, providing the foundation for its international credibility and reputation. 9 research centers: Strategy and Organization/Entrepreneurial Finance/ Organizations, Careers and New Elites/ Financial Risks Analysis/ Entrepreneurship/ Cognitions, Behaviors and Transformations/Artificial Intelligence in Value Creation/ Work and Organization

5. **Entrepreneurship**

emlyon has been driven by entrepreneurship, innovation and humanism. Our vision and mission are nurtured by our global and digital world. The entrepreneur from emlyon is a maker. That is someone who takes their destiny into their own hands, who shapes and molds their own future. This concept perfectly reflects our vision of what an entrepreneur is, i.e. a person who tries, experiments, fails, starts again and learns by doing. Through our numerous graduate and executive development programmes and the **emlyon business school** Incubator, we can equip you with the skills and attitudes it takes to become an entrepreneur.
